DAMAGE WAIVER

By signing this Damage Waiver, and paying the Damage Waiver fee, Lessee under the above-referenced Contract is relieved from liability for certain property damage to the item leased pursuant to such contract during the term of the Contract. This waiver does not relieve the Lessee of damage to such item resulting from the negligent or intentional acts of Lessee or Lessee’s employees, agents, or invitees, nor from the misuse of the item leased pursuant to the Contract.

This Damage Waiver relieves Lessee of interior or exterior damage resulting from acts of nature or from the negligent or intentional acts of third parties. This Damage Waiver is specifically limited to damage to the specific item leased pursuant to the Contract and does not in any way extend to any items not owned by Lessor which may be housed or contained in the item leased.

In order for this Damage Waiver to be effective, Lessee must comply with the following:

1. The item must be blocked, leveled and anchored at all times to the satisfaction of Lessor if the item is on wheels;
2. Lessee must have made at least one rental payment; and
3. Lessee must not be more than thirty (30) days delinquent in payment.

This Damage Waiver is an exception and addendum to the Contract and modifies the Contract only to the extent expressly stated in this Damage Waiver. This Damage Waiver shall be of no force and effect if Lessee has elected not to accept this Damage Waiver as part of the Contract or, if after accepting this Damage Waiver, Lessee shall fail to comply with the terms and conditions of this insurance waiver.

Please sign and date the desired choice. Failure to sign and date either choice will be considered your election to decline this insurance waiver.
